that infinite potential

- His Holiness Maharishi Mahesh Yogi

**HIS DIVINITY GURUDEV
SWAMI BRAHMANANDA SARASWATHI MAHARAJ**

THE TRADITION OF KNOWLEDGE

Transcendental Meditation and T.M. Sidhi Programme draw their inspiration from Maharishiji's Master. His Divinity Swami Brahmananda Saraswathi Maharaj, who was the Shankaracharya of Jyothirmath, in Northern India.

Maharishiji and his Master came from a tradition whose roots go back to the beginning of time and which includes great saints such as Vashista and Vyasa, who saw within themselves the delicate impulses of pure knowledge, the Veda, which are the very basis of life.

The precious knowledge, which has made Transcendental Meditation so effective and successful and has made it possible for us to become Sidhas, comes from this glorious tradition.

SCHOOL MOTTO

Knowledge is structured in consciousness means consciousness constitutes knowledge.....

"If we want complete knowledge we should have a state of consciousness which is most comprehensive. The expanded, un-bounded state of consciousness should be established and then on the basis, whatever knowledge is gained will be true and complete. Because that non changing field of pure consciousness does not change and because it is unbounded, knowledge will always be complete, comprehensive and non-changing. Then the knowledge will be true. Truth is that, which never changes. Only incomplete knowledge changes. Complete, decisive, full knowledge gained on the level of pure consciousness never changes. This is what we aim at when we say: "knowledge is structured in consciousness".

MISSION STATEMENT

The school strives to improve the performance of the students every year in such a way that at least 40% of the students get into high profile institutions and other reputed institutions. It ensures to improve the students' physical and mental health through physical fitness programs. Transcendental meditation, yoga and pranayama make the learning environment happy and peaceful.

His Holiness Maharishi Mahesh Yogi
(Our Founder and a Great Sage)

Founder of Maharishi School of the Age of Enlightenment, who introduced the Transcendental Meditation program to the world 50 years ago for systematically developing higher states of consciousness, Maharishi is now offering every school consciousness-based education so that all students everywhere can enliven total brain functioning, unfold their full creative potential to enjoy healthy, happy and successful lives.

Jai Guru Dev

H.H. Maharishi Mahesh Yogi

His Holiness Maharishi Mahesh Yogi was born on 12th January 1917 in Raipur City of present day Chhattisgarh, India. Originally named Mahesh Prasad Varma, he belonged to a Kshatriya caste, Hindu family, living in a small village called Chichli, near Jabalpur, Madhya Pradesh. He received his Master's Degree in Physics from Allahabad University, in 1940. During this period, he felt inclined towards spiritual life. He then, became a disciple of Swami Brahmananda Saraswathi, who gave him the name of 'Bal Brahmachari Mahesh'.

After the death of Swami Brahmananda Saraswathi, in 1953, Mahesh travelled to Uttarkashi, in the Himalayas. The two years he spent in Himalayas enabled him to deepen his meditation experience. He left Uttarkashi in 1955 and decided to teach the world, the traditional meditation techniques, which he had learnt from his master.

He named these techniques "Transcendental Meditation". Transcendental Meditation is a mental technique that helps a person in achieving consciousness. It involves the use of mantra through which the mind becomes alert, but the body feels relaxed. Meanwhile he assumed the title of "Maharishi". Thereafter, he started public teaching of meditation techniques. He started the spiritual re-generation movement in 1957, by establishing his first organisation in Chennai, the same year.

He received positive feedback from spiritual re-generation movement which motivated him to expand his teachings. His tour to Rangoon (Burma) in 1958, marked the beginning of world tour to teach the Transcendental Meditation techniques. Later, he travelled to the United States in 1959, to establish his spiritual re-generation movement there. After popularizing the movement in the United States, he travelled to Europe to expand his teachings further.

His Holiness Maharishi Mahesh Yogi returned to India and established a number of Administrative Centres in India, where he gave lectures and taught about the Transcendental Meditation techniques. A number of practitioners were trained to serve as Teachers of this technique. H.H. Maharishi Mahesh Yogi organized his first International Teacher Training Course in Rishikesh, in 1961.

Maharishi Mahesh Yogi established his first International University in 1971, which he re-named 'Maharishi University of Management'. Taped lectures and writings of the Maharishi about Science of Creative Intelligence have been stored in the University's Library. Maharishi University of Management is accredited with combining Modern Science with Vedic Science. His increasing interest in Vedic Knowledge motivated him to translate and give commentary on the first six chapters of Bhagwad Gita.

In addition to Transcendental Meditation techniques for over 30 years, the TM-Siddhi Programme designed by him proves to be quite beneficial in group practice. The TM Movement has become very popular. Many scientists have found physical and mental health benefits from the Transcendental Meditation techniques.

The little seed sowed by him had nourished into a structured tree, the fruit of which is reared through implementation of Transcendental Meditation techniques in our schools, throughout.

Maharishi Mahesh Yogi breathed his last on February 5th, 2008 at Vlodrop, The Netherlands. Today, there are more than 5 million followers of Maharishi, who seek to attain higher state of consciousness.

"All that we are is the result of what we have thought. The mind is everything. What we think, we become".

SCHOOL SONG

Tender flowers are we
In the garden of “Maharishi”
Where truth and beauty are supreme
Our duty comes first
Pleasure will be the last
We are the children of God
Whose chosen angel “Maharishi”
Rules our mind: dwells in our heart
His path we follow, there lies our goal
Oh! Jai Guru Dev! Oh! Jai Guru Dev!

Guide us between right and wrong
Good and evil, virtue and vice
And show us the path of righteousness
Let love be our religion
Bless our school, bless our land:
Bless us all; Bless us all;
Fair or dark, rich or poor
We love them all with our heart.

Long live His Holiness Maharishi’s glory
Long live Maharishi Vidya Mandir;
Long live His Holiness Maharishi’s glory
Long live Maharishi Vidya Mandir.

MEANING

“Better than the entire world, is our Hindustan;
we are its nightingales of mirth,
and it is our garden abode
Though in foreign lands we may reside,
with our homeland our hearts abide,
Regard us also to be there, where exist our hearts
That mountain most high, neighbour to the skies;
it is our sentinel; it is our protector
In the lap of whose, play thousands of rivers;
gardens they sustain; the envy-of-the-heavens of ours
O waters of the Ganga mighty, do you recall the day
when on your banks, did land the caravan of ours
Religion does not teach us to harbour
grudges between us
Indians we all are; India, our motherland
While Greece, Egypt, Rome have all been wiped out
till now yet remains, this civilization of ours
{it has stood the test of time}
Something there is that keeps us, our entity
from being eroded
For ages has been our enemy, the way of the world
Iqbal! Is there no soul that could
understand the pain in thy heart?

15. During unavoidable and abnormal circumstances, we may declare a holiday and on such days the school buses will not ply to pick the children to school. In case the holiday announcement comes later, i.e. after the children reach school, they will be retained in the school till evening. Parents who want to take them back home must come in person to collect their wards.

CO-CURRICULAR ACTIVITIES

In order to provide total education to children and good citizenship training, the school organizes different co-curricular activities through various Houses, Clubs, Educational Tours, RSP, Social Service Projects, Audio - Visual Education, Fine Arts, Scouts & Guides, Cubs & Bulbuls, NGC, JRC, Karuna Club, NCC, NSS, Musical Instruments, T.M., Science of Creative Intelligence, Yogasanas and Pranayamas. Programmes to motivate lateral thinking in students are devised and incorporated in school curriculum.

EXTRA CURRICULAR ACTIVITIES

Activities include training in Archery, Bharatha Natyam, Carnatic Music, Band, Karate, Handwriting, Key board, Tabla, Veena, Guitar, Skating, Sports and Games, etc. The school fosters a high degree of competency in several co-curricular and extra-curricular activities and the children are encouraged to participate in any one activity at a time.

TALENT FIESTA: The noteworthy feature is the Kalavarshini which brings out the hidden talents of our students, teachers, parents and grandparents through cultural programs on the stage.

THIS IS MY STAGE

“THIS IS MY STAGE”, the seed of this concept was sown by our Dean & Director Late Shri. S. Namasivayam. This is to bring out the hidden talents of our students and make every child participate in whatever capacity they can showcase their talents. Every Friday we have this programme at various levels right from Primary to Senior Secondary. The prime motive is to overcome fear and boost the confidence level of all the students.

Meditation vs Education

My education transformed me superficially,
made me civilized,

My meditation transformed me deeply,
made me realized.

My education gave me gold medals,
My meditation gave me golden moments.

My education gave me job eligibility,
My meditation gave me life flexibility.

My education fostered appreciation,
My meditation fostered introspection.

My education made me a good tax-payer,
My meditation answered my prayers.

My education sharpened my intelligence,
My meditation deepened my awareness.

My education stimulated my passion,
My meditation motivated my compassion.

My education made my job fruitful,
My meditation made my life grateful.

My education provoked competitiveness,
My meditation invoked inclusiveness.

My education inflated my ego,
My meditation allowed me to let go.

My education coloured my mind,
My meditation made my mind,
(undisturbed)

My education pushed me outward,
My meditation pulled me inward.

My education made me who I am,
My meditation showed me who am I.

INITIATIVE FOR MORAL AND CULTURAL TRAINING FOUNDATION (IMCTF)

IMCTF's motto - "Value Building is Nation Building"

When Bharat is rising as a geo-political, economic and cultural power....

Initiative for Moral and Cultural Training Foundation (IMCTF) intends to prepare the young India to measure up to its national and global responsibilities. IMCTF believes Virtues and Values, build Families, Societies and Nations .

The Objective of IMCTF is to revive , retain and reinstate our civilization's values and virtues to sustain our heritage based on the ancient philosophy of " ISAVASYAM IDAM SARVAM", meaning everything, even the tiniest atom, is manifestation of the Divine".

IMCTF has been endeavoring to impart moral and cultural values for influencing the conduct of young boys and girls since 2012. It has reached over 350 schools in Chennai with its training programme. Around 1000 schools have come in contact with IMCTF through pre-fair activities since 2012 to 2019.

The six fundamental themes of IMCTF are:

- Conserving Forests and protecting wild life.
- Preserving Ecology.
- Sustaining Environment.
- Inculcating Human and Family Values.
- Fostering women's Honour
- Instilling Patriotism

All themes are done by the unique methodology called **Samskaram**. It is an ancient Indian method to impart and imbibe values "for protection of one's life and character".

Thematic competitions are conducted to popularize and create awareness about the six values. The competitions are being conducted as one of the significant pre-fair activities ahead of the commencement of Hindu Spiritual and Service Fair (HSSF) every year.

MVM is associated with IMCTF for the past 8 Years. Students and parents are more interested to participate in all Samskarams done by our MVM group of schools.

WAKE UP PARENTS !

Years back, **poor illiterate parents** produced

- ◆ Doctors
- ◆ Engineers
- ◆ Scientists
- ◆ Lawyers
- ◆ Accountants
- ◆ Architects
- ◆ Professors.... Whom I will refer to as **Group A**

These **Group A** children struggled on their own after primary or Grade 12, to become notable personalities. Most of them

- Trekked to school **barefooted**
- Went to farms
- Fetched water and firewood
- Cared for domesticated animals
- Did some work including trading after school to survive.

Group 'A' who have now become parents themselves are **producing Group B children**.

These group B children are

- ◆ Pampered.
- ◆ Helped in their homeworks or home assignment from nursery school through secondary schools to higher institutions.
- ◆ Chauffeur driven to very expensive school or are sent abroad to study.
- ◆ They watch movies incessantly.
- ◆ They are treated like baby king and queen.
- ◆ They don't do any household chores.
- ◆ Food is served on the table for them.
- ◆ Their plates are removed and washed by parents or housemaids.
- ◆ They are given expensive cars and clothes.
- ◆ Not forgetting big pocket money to be wasted !!!

In spite of all these, only few can **speak** or **write** correctly

Group A parents cared for their own **parents** and **children**,

Group B, their children are still **struggling to find their feet at age 30+ !!**

They find it difficult to do things on their own because they are used to being helped to think and doing things by Group A. So they can't help themselves, their parents or their society. **THEY ABANDON THEIR PARENTS IN THEIR BID TO ACQUIRE THE WORLD.**

Where do you belong?

- ✍ Reduce the pampering and unnecessary help you offer your children.
- ✍ Let your children **grow in wisdom, intelligence and strength**.
- ✍ Let them face the truth and the realities of life. Teach them to grow to become **independent adults**. Teach them to
 - fear God,
 - respect others and
 - develop confidence in themselves.

Parents, discipline your children to become disciplined adults, **useful** and not **useless**.

2022 - INTERNATIONAL YEAR OF ARTISANAL FISHERIES AND AQUACULTURE (IYafa)

Small actions can have big impacts - like a ripple effect! Small-scale fishing and aquaculture can bring food to not just one family but provide healthy nutrition and value addition to millions more. Small scale fishers and fish farmers know what it means to preserve the balance in the ecosystem. They are resilient and are capable of adapting themselves according to the changing times. But their lively hoods are at risk more now than ever. So, the United Nations General Assembly has declared 2022 the International Year of Artisanal Fisheries and Aquaculture (IYafa 2022) with the aim of improving the working conditions of men and women working in artisanal fisheries and aquaculture. Food and Agriculture Organisation (FOA) is the lead agency for collaborating with other relevant organizations and bodies of the United Nations system to raise awareness on artisanal fisheries and aquaculture. The vision of IYAF

AN APPEAL

Dear Parents

A Parent's duty does not end once the child is admitted in school. In fact, in the present educational system, only the joint efforts of both Parents and Teachers can provide a bright future. Do not hesitate to consult either the class teacher or the Principal. If you can speak in English, it is good, if not you can converse with the teacher, in a language known to you. But encourage your child to always converse in English.

Supervise your ward's day to day activities. Draw a time table for their daily routine, right from brushing their teeth in the morning, till they go to bed. See to it that they go to sleep early at night and follow it accordingly. Set aside time for them to play and watch T.V. Do not hesitate to check into their duties such as brushing their teeth, bathing, cutting their nails, washing their face, hands and legs, cleaning their shoes, oiling and combing their hair, arranging and bringing books to school according to their time table, completing their home work regularly, bringing fresh and nutritious food to school, bringing a spoon and small napkin to wipe their hands and such other things everyday.

Shower love and affection on your children and at the same time, be strict when necessary.

We, the Parents and Teachers, join hands to create a bright and prosperous future for our children.

வேண்டுகோள்

அன்பிற்குரிய பெற்றோர்களுக்கு....

குழந்தையைப் பள்ளியில் சேர்த்தவுடன் பொறுப்பு முடிந்தது என எண்ண வேண்டாம். இன்றைய கல்வி முறையில் பெற்றோரும், ஆசிரியரும் ஒருங்கிணைந்து செயல்பட்டால்தான், நல்ல எதிர்காலத்தைத் தர முடியும். எனவே, ஐயம் ஏற்படும் போதெல்லாம் வகுப்பு ஆசிரியரையோ, பள்ளி முதல்வரையோ கலந்தாலோசிக்கத் தயங்க வேண்டாம். தங்களுக்கு ஆங்கிலம் தெரிந்தால் நல்லது. தெரியாவிடின் அது ஒரு குறைபாடு அல்ல. தங்களுக்குத் தெரிந்த மொழியில் ஆசிரியரிடம் பேசவும். ஆனால், உங்கள் மாணவச் செல்வத்தை மட்டும் எப்போதும் ஆங்கிலத்தில் பேசுமாறு ஊக்கப்படுத்தவும்.

தங்களது புதல்வன் / புதல்வியின் நடவடிக்கைகளைத் தினசரி கண்காணிக்கவும். காலை பல் தேய்ப்பதில் இருந்து, இரவு தூங்குதல் வரை கால அட்டவணை ஒன்றைத் தயாரித்து அதன்படி கட்டாயம் செயல்படச் சொல்லவும். விளையாடவும், தொலைக்காட்சி பார்க்கவும் நேரத்தைத் தாங்கள் ஒதுக்கிக் கொடுக்கவும். பஸ்துலக்குதல், நீராடல், நகம் வெட்டுதல், முகம், கை, கால் சுத்தம் செய்தல், காலணிகளைச் சுத்தம் செய்தல், தலைமுடிக்கு எண்ணெய் தேய்த்து ஒழுங்காக வைத்திருத்தல், சுத்தமான ஆடை அணிகளை அணிதல், கால அட்டவணைப் படி புத்தகம் மற்றும் நோட்டுப் புத்தகங்களை பள்ளிக்குக் கொண்டு வருதல், வீட்டுப் பாடங்களை ஒழுங்காகச் செய்தல், புளித்துப் போகாத நல்ல சத்துள்ள உணவுகளைத் தந்து பள்ளிக்கு அனுப்புதல் போன்ற அன்றாடக் கடமைகளை நினைவுறுத்தத் தயங்காதீர்கள். உங்கள் மழலைக்கு அளவற்ற அன்பைத் தரவும், அதே நேரத்தில் கண்டிப்புடனும் இருக்கத் தயங்காதீர்கள்.

உங்கள் பிள்ளைகள் தினமும் வீட்டில் முறையாக ஆழ்நிலைத் தியானமும் யோகாசனமும் செய்கிறார்களா எனக் கவனிக்கவும்.

கால அட்டவணை ஒன்றினைத் தயாரித்து, தினசரி செயல்பாடுகளையும், படிப்பினையும் முறைப்படுத்தவும் குறைந்தது மூன்று மணி நேரமாவது படிக்கச் செய்து பள்ளிக் குறிப்பேட்டில் பதிவு செய்து ஆசிரியர்களுடன் தினசரி தொடர்பை வலுப்படுத்திக் கொள்ளுங்கள்.

பெற்றோரும் ஆசிரியர்களும் இணைந்து பணியாற்றி நமது குழந்தைகளுக்கு நல்ல எதிர்காலத்தை உருவாக்குவோம்.
